Every finisher gets a special event medal.

Finish

Finish time is recorded when crossing the finish line.

Preliminary results are published at the event centre and online.

Live GPS tracking from course will be available online as well.

Safety regulations

Participant must always obey orders of the course judges.

Participants might only use their own name when registering for the event. Transferring number to other people is not allowed.

Every participant must attach his/her number in a clearly visible place and show it to race official if asked to. Any use of transportation as well as personal escort is forbidden.

Event organizers do not guaranty a ride to the finish if participant decides to quit the race elsewhere than the refreshment point. In case of injury participant must inform organizers and emergency services.

Participants should respect their opponents and help them in case of emergency.

Most of the race course goes through "Neris Regional Park" so littering (throwing away packing of used gels, bars etc.) is strictly forbidden. You must leave all the empty packages at the refreshment points or carry them with you to the finish.

Contact phones in case of emergency: +370 693 37910; 112

If for any reason a participant cannot complete the chosen distance and withdraws from the race, he must inform event organizers.

Mandatory gear

82km and 42km distances runners must carry:

- charged and working **cell phone**,
- **GPX track** imported to sports watch or cell phone,
- a **fluid container** of at least 500ml (though 1 liter or more is advised),
- **reusable cup** to be used at refreshment stations.

Recommended: anti chafing cream, sunscreen, mosquitoes repellent, emergency blanket, tape, plasters, head protection from the sun, sunglasses, a bit of cash.

21km distance runners must carry

- **GPX track** imported to sports watch or cell phone,
- a **fluid container** of at least 500ml

10 km distance - no mandatory gear
